I General Information

A. Procurement

1. This contract will be a **Cost Reimbursable Contract**.
2. All procurement transactions shall be conducted in a manner that provides maximum full and open competition and in accordance with all applicable State and Federal law including, but not limited to, Uniform Administrative Requirements, Cost Principles and Audit Requirements, 2 CFR 200.318-200.326, formerly in 7 CFR 3016.36 and 3019.48, as applicable, and the SFA Code of Conduct.
3. The SFA will not conduct the procurement process in a manner that uses statutorily or administratively imposed in-state or local geographic preferences in the evaluation of proposals in accordance with 2 CFR 200.319(c).
4. **An FSMC that has provided recommendations, developed or drafted specifications, requirements, statements of work, or any other information for this RFP shall be excluded from competing to provide the services sought in this solicitation.**
5. The SFA reserves the right to reject RFPs if deemed in the best interest of the SFA.
6. The SFA will award the contract to the responsible FSMC whose proposal is most advantageous to the program, with price and other factors considered. A responsible FSMC is one whose financial, technical and other resources indicate an ability to perform the services required by this solicitation. 2 CFR 200.320(b)(2).
7. FSMCs or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so will be at the FSMC's own risk and the FSMC cannot secure relief on the plea of error. The SFA is not liable for any cost incurred by the proposer prior to the New Jersey Department of Agriculture (NJDA) Division of Food and Nutrition's (DFN) final approval of the contract, and the signing of the contract by all parties. Paying the FSMC from Child Nutrition (CN) program funds (school food service account) is prohibited until the contract is signed by both parties and final approval is provided by the DFN.
8. If additional information about this RFP is required, refer to the instructions regarding "proposer communications" on the Advertisement of Request for Proposal.
9. A Pre-Proposal Meeting with interested proposers to review specifications, to clarify any questions, and to tour the facilities with school officials is **not** mandatory. Refer to the Advertisement of Request for Proposal to determine if the SFA has planned a meeting and scheduled a time and location.

B. Award Criteria/Methodology

1. The contract will be awarded to the responsible proposer whose proposal is the most advantageous to the program with price and other factors considered. An evaluation committee will be established to review proposals. Each committee member will sign a certification of no conflict to be kept on file with the SFA. Each committee member will evaluate proposals independently (**team scoring is not allowed**). The SFA has established evaluation and scoring criteria and has assigned a Weighting Factor Percentage to each criterion as part of the RFP preparation process and prior to the RFP being advertised using the RFP Scoring Criteria and Evaluation Form.
2. **Scoring Methodology:** Price be the primary factor (assigned the highest weighting factor percentage). Each criterion will receive a score ranging from 1-5 points. The criterion score will then be multiplied by the assigned weighting factor percentage to get the total weighted score of the criterion. The total weighted score for each criterion will be added together to compute the total score of the proposal evaluation. Directions for completing this process can be found on the Scoring Criteria and Evaluation Instruction Form (Form 320).

C. RFP Protests

1. Any action which diminishes full and open competition seriously undermines the integrity of the procurement process and may subject the SFA to RFP protests. The SFA shall be responsible for properly responding to protests and concerns raised by potential contractors. SFAs **must** insert their RFP protest procedures. The SFA will, in all instances, disclose all information regarding a protest to the DFN.

Vendors or contractors may contact the Purchasing Agent in writing, when they feel it necessary to challenge a procurement specification item or to protest an award of contract. All challenges and protests will be reviewed by the Purchasing Agent and the Board Attorney. All determinations shall be made in writing to the vendor or contractor. The Purchasing Agent pursuant to N.J.S.A. 18A:18A-2 (b) is the School Business Administrator.

A protest filed shall:

- Include the name, street address, electronic mail address, and telephone and facsimile numbers of the protester;
- Be signed by the protester or its representative;
- Identify the bid or solicitation number and date of bid or solicitation;
- Include a detailed statement of the legal and factual grounds of protest including copies of relevant documents;
- Set forth all information establishing that the protester is an interested party for the purpose of filing a protest;
- Set forth all information establishing the timeliness of the protest; and
- Provide any or all information pertaining to the bid protest.

D. Security to Accompany Bid: Amount

1. Bid Guarantee: The FSMC shall submit with its proposal, a bid guarantee in the amount of 10% of the bid, but not in excess of \$20,000, that may be given, at the option of the FSMC, by certified check, cashier's check or bid bond. N.J.S.A. 18A:18A-24. Bid Guarantees will be returned (a) to unsuccessful FSMCs as soon as practicable after the opening of bids; and (b) to the successful FSMC upon final approval and execution of all contractual documents, proof of insurance coverage and bonds as may be required. **This requirement cannot be waived.**

E. Captions

1. Captions in all sections of this document are provided only as a convenience and shall not affect the interpretation of this instrument and its attachments.

F. Contract Term

1. The contract shall be for a period of one year, or less, with up to four optional one-year renewals with mutual agreement between the SFA and the FSMC. 7 CFR 210.16(d). Any price change included as part of a renewal shall be based upon the price of the original contract as cumulatively adjusted pursuant to any previous adjustment or renewal, and shall not exceed the change in the Index Rate (as defined in Public Schools Contract Law, N.J.S.A. 18A:18A-1 *et seq.*) for the 12 months preceding the most recent quarterly calculation available at the time the contract is renewed. The terms and conditions of the contract shall remain substantially the same in all renewal years. N.J.S.A. 18A:18A-42.

This contract cannot be effective prior to the date of final approval by DFN.

G. Errors or Omissions

1. The proposing FSMCs shall not be allowed to take advantage of any errors or omissions in the RFP specifications. Where errors occur in the RFP specification, an FSMC shall promptly notify the contact person listed. Inconsistencies in the RFP specifications are to be reported prior to proposals being submitted. The SFA will communicate the corrections and clarifications to all potential proposers in accordance with N.J.S.A. 18A:18A-21(c)(1).

H. Final Contract

1. **The final contract shall consist of the terms and conditions contained herein as well as all documents included by the SFA in the RFP, the fully executed Signature Page and the Form 23 - Response and Projected Operating Statement. No additional modifications may be made. No amendments are permitted.**

I. Gifts from FSMC

1. The SFA's officers, employees, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from FSMCs nor potential FSMCs. The appropriate penalties, sanctions, or disciplinary actions to be applied for violations will be determined by the SFA Code of Conduct for Procurement and applicable Federal, State and local laws and regulations.

J. Late Proposals

1. The SFA will not consider any proposals received after the exact time specified for receipt.

K. Meal Equivalents

1. For the purpose of making the meal count computation, the number of meals served to children shall be determined by actual counts of reimbursable meals. The State Agency shall determine the a la carte meal equivalent by dividing the a la carte revenue by the per meal sum of the Federal and State free meal reimbursement plus the per meal value of USDA entitlement and bonus donated foods. A la carte revenue shall include adult meals and a la carte sales to students and adults. If applicable, revenue from vending machine sales will be included as part of the a la carte revenue.

L. Payment and Fees

1. Payment in the Cost Reimbursable Contract shall be based on the FSMC monthly invoice and operating statement of allowable costs to operate the food service program. The FSMC shall also provide vendor invoices for all charges and expenses and documentation of its certified payroll. Sample FSMC operating statement, monthly invoice and catering invoice can be found on SNEARS Resources under FSMC Contract Documents. At a minimum, the Operating Statement and Monthly Invoice must contain the information included in the sample.
2. The FSMC shall provide the SFA with a year-end operating statement detailing the school year breakeven, return or loss.
3. The SFA will perform a year-end reconciliation to verify the accuracy of the FSMC's invoices and operating statements.
4. The SFA requires the FSMC to submit the management/administrative fee as a:

Flat Fee or Cents per Meal Fee

M. Additional Information

1. All FSMCs should submit the Response and Projected Operating Statement (Form 23) based on meal count numbers specified on Form 372, tab h. Projected Meal Counts. Projected Meal Counts are based on historical data and current participation.
2. The SFA may add any additional requirements to the RFP by completing the RFP Modification Request contained herein. **The RFP must be completed along with the RFP Modification Request form and submitted to the State Agency for approval prior to the start of the solicitation process.** The SFA may not add additional requirements to the Renewal Year documents unless the requirements are addressed in the RFP. If a requirement constitutes a material change, the SFA must issue a new RFP for its food service management. SFAs should consult with legal counsel in making those determinations.
3. Any FSMC that submits a proposal for items or activities not requested by the SFA and specified in the RFP will be considered overly responsive and the proposal will be rejected.
4. If the services of the FSMC are to begin after the start of the school year and the beginning contract term date is later than July 1 (i.e. January 1), include that date in the advertisement and solicitation. The ending contract term date will always be June 30th.
5. This proposal and contract are based on the SFA's 21-day cycle menu. The FSMC must adhere to the cycle for the first 21 days of meal service. Changes thereafter may be made with the approval of the SFA. An SFA with no capability to prepare a cycle menu may require, with State Agency approval, that each FSMC include a 21-day cycle menu, developed in accordance with the provisions of 7 CFR 210.10, with its proposal. 7 CFR 210.16(b)(1).

FSMC proposals must identify if they plan to request a change in the 21-day cycle menu included in the RFP after the first 21 days of meal service.

SFA is developing and including the 21-day cycle menu (cannot be *branded*)

or

SFA is requiring FSMC to submit 21-day cycle menu with proposal

- The **SFA is requesting** the FSMC to propose and purchase equipment necessary for the implementation or enhancement of the food service operation. The proposed equipment must be detailed, including acquisition cost, on the FSMC Proposed Equipment form and included in the Response and Projected Operating Statement (Form 23).
- The **SFA is requesting** the FSMC to purchase the equipment listed on the SFA Requested Equipment page. The requested equipment must be included in the Response and Projected Operating Statement (Form 23).

Any equipment and/or installation costs not included in the RFP, Form 23, and the FSMC proposal may not be charged, directly or indirectly, to the SFA at any point during the contract. All equipment purchases must be properly procured.

The SFA shall seek pre-approval from the DFN for each item of equipment costing \$5,000 or greater (unless on the Pre-Approved Equipment List) prior to its purchase through the Capital Expenditure Request process if school food service funds are going to be used, regardless of whether the SFA or the FSMC is purchasing the equipment.

The FSMC shall make a financial commitment/investment to the SFA in an amount not to exceed the total amount listed on the FSMC Proposed Equipment form, included in the Response and Projected Operating Statement (Form 23), and, if requested, the SFA Requested Equipment form. Any equipment purchased by the FSMC shall be purchased as a "sale-for resale" to the SFA. Title to equipment shall vest in the SFA upon such resale when the equipment is placed in service. The SFA acknowledges that it is a tax-exempt entity and will provide the FSMC with a copy of the appropriate tax-exempt certificate. The financial commitment/investment shall be amortized on a straight-line basis over a period of five (5) years, commencing upon the date the equipment is placed in service. The amortization will be charged to the SFA as a direct cost and will be billed to the SFA **in addition** to the operating costs on a monthly basis. **Only Equipment purchased by the FSMC in the Base Year of the contract can be amortized.**

Should this contract expire or be terminated by either party for any reason whatsoever, prior to the complete amortization of the financial commitment/investment, the SFA shall, in the SFA's sole discretion, either (a) reimburse the FSMC for the total unpaid balance of the financial commitment/investment as of the date of expiration or termination; or (b) continue to make payments under the monthly **amortization schedule until the financial commitment/investment is fully paid**; or (c) deliver the equipment funded by the financial commitment/investment to the FSMC in full release of the unpaid balance.

Instructions for Certification

By signing and submitting this form, the prospective lower tier participant is providing the certification in accordance with these instructions.

1. The certification in this document is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

3. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations (13 CFR Part 145).

4. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

5. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Excluded Parties List System. The list is available on the internet at: <http://www.gao.gov/products/GAO-09-174>

7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

8. Except for authorized transactions referenced in paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.
