

# XRDS PTO

## Common Myths

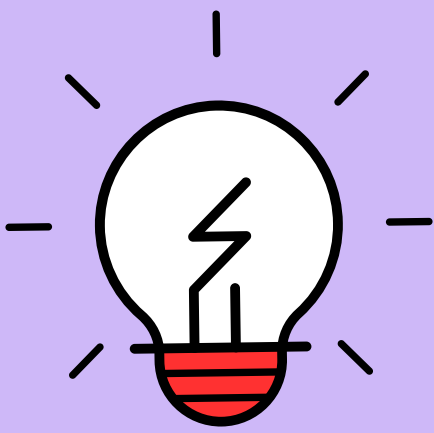

### MYTH#1: PTO IS JUST FOR STAY AT HOME PARENTS

PTO is for all families that want to partner with the school to create a better school and educational experience for our children.

### MYTH #2: IF I JOIN THE PTO WILL I BE REQUIRED TO VOLUNTEER

While we love when parents have the capacity to volunteer, it is NOT a requirement. We all are juggling so much. There is no judgement if you are not in a season to volunteer.

### MYTH #3: IF I CANT VOLUNTEER, I SHOULDN'T JOIN THE PTO

Your yearly \$10 contribution supports the mission of the PTO to bring joy to our teachers and students to provide an enhanced learning experience for our children and so much more. Our PTO is committed to supporting our school community in every possible way.

### I JOINED LAST YEAR SO I DON'T NEED TO JOIN AGAIN

Membership is yearly! We are a 501c3 non profit and we do our best to use your contribution to benefit your students in the year of your families membership!
